### 1) Entrants

1. Any entrant who fails to fully fill out and sign required registration forms and releases shall be disqualified and shall forfeit any prize money, points and contingencies won in that particular event. Entry forms and releases must be signed in person in front of a Formula Off-Road official.
2. No entrant may enter racing areas until they have signed all releases and/or entry forms. No person shall sign the release or forms for anyone other than himself or herself. Proper identification is required (i.e., picture ID).
3. The entry applications of persons under the age of 18 must have a parent or legal guardian sign the release form.
4. Any entrant who competes in a vehicle that he/she is not registered to or permits such action, shall forfeit any and all prize money, points, and contingencies won in the particular event. Such action may result in that vehicles disqualification.

### 2) Event Course

1. A marked course is the official route designated by and marked by SPEED Energy Formula Off-Road Presented by Traxxas officials. All vehicles must follow this route during the event. Non-vehicle may deviate from the marked course at any time. Short coursing is NOT PERMITTED and will result in disqualification.
2. Short coursing is defined as any deviation from the marked course resulting in either a time or position advantage. All vehicles must proceed only in the correct direction of the course. Racing backwards on the racecourse at any time is prohibited. Racing backwards on the course is ground for penalties of up to and including disqualification.

### 3) Technical Inspection

1. It is the entrants', Riders', Drivers', Owners', and Sponsors' full responsibility to meet all SPEED Energy Formula Off-Road Presented by Traxxas Rules and Regulations.
2. It is the entrant's full responsibility to clear safety and technical inspection with an USAC official prior to competition. A transponder (timing and scoring) will be given to you once you have passed USAC safety and technical inspection.

All vehicles are required to have a USAC issued transponder in order to compete.

3. It is the entrants' full responsibility to make all reasonable effort to arrive to staging a minimum of 15 minutes prior to the start of their scheduled race. The races will move along fast, so pay attention to when your event is in the order. Officials will NOT wait for an individual.

#### 4) Pits

1. Every individual in the pit area must contain an SST wristband or SPEED Energy Formula Off-Road Presented by Traxxas hard card and sign the proper releases.

#### NO EXCEPTIONS

2. Security will strictly enforce this procedure, and you will be asked to leave the event.

3. NO Kids under 16 years old allowed in the Pit Area. Proof of identification required.

4. Pits will be open to the public after the races are completed.

5. All pets must be kept out of the pit area.

#### 6. ABSOLUTELY NO RACING AROUND THE PITS

7. You may slowly move your vehicle to and from the track at slow rate of speed for your race ONLY. Drivers must register for the race before driving their vehicle anywhere.

8. Anyone found to be racing around or participating in horseplay in the pits will be disqualified without a refund. NO EXCEPTIONS!

9. All pitting must be done in the designated pit area.

10. At all times the driver assumes responsibility for the actions of their pit crew members, support crews, and all others associated with their organization.

11. Another race entered vehicle or an official SPEED Energy Formula Off-Road Presented by Traxxas support vehicle may push, pull or tow the race-entered vehicle to the nearest safe area if deemed inoperable by Formula Off-Road officials. No other person or persons will be permitted to assist in pushing, pulling or towing the vehicle. Formula Off-Road officials may assist the vehicle occupants if it is deemed necessary for the protection of the entrants.

12. No pit support vehicles will be allowed. That includes ATV's, UTV's, Scooters, Mopeds, Bicycles, etc.

13. All entrants are responsible for cleaning the pit areas they use during the event. Any garbage left behind or damage to the pit area will result in a fine to driver by Formula Off-Road Officials.

14. Any pit crewmembers disregarding these rules will be subject to rider/driver disqualification.

#### 5) Vehicle Race Numbers
